

Community Futures Lac La Biche is a non-profit organization dedicated to building an economically diverse future for the communities of our region.

Staffed by business professionals and guided by a volunteer Board of Directors, we are more than just a business lender. With over 30-years of experience, we can help rural entrepreneurs grow and thrive as small business owners.

Our services for small businesses help Lac La Biche & Region residents start, grow, expand, franchise, or sell their businesses.

With flexible business loans and free one-on-one assistance, we are here to help you achieve your business goals.

Tickets are now on sale. **Early Bird Pricing available for a limited time!** Click on the link below to get yourself one!

Lemonade Day 2024

Lemonade Day is back in Lac La Biche! A free, fun program where kids learn to run their own business - a Lemonade Stand! Sign up your kids for an opportunity to learn financial literacy, academic skills, teamwork, and responsibility - skills that can provide lifelong benefits.

Registrations are open on March 1st, 2024. If you'd like to know more about this program, head down to their website via the link below.

Looking to Sell Your Business?

Are you retiring and looking to sell your business?

CFLLB can help you with your exit strategy or succession planning!

Email suavek@cflb.com more information!

A “workable” and effective strategic plan that reflects your business objectives and community is key to ongoing success and growth

Whether you have a strategic plan that needs to be updated, or even if you are starting from scratch, Community Futures Lac La Biche offers one-on-one sessions that will put your organization on the right track.

Review and Update of existing strategic plan

- Review and confirm organizational vision and mission
- Evaluation of current strategies to meet business objectives
- Analysis of goals and key performance indicators

Creation of new strategic plan

- Articulate corporate values
- Establish mission and vision statements
- Creation of business strategies to reflect organization vision and mission
- Develop action items and tactics to implement business strategies
- Prepare goals, benchmarks and determine how success will be measured.
